

BotBot Evolve — Hourly Summary

Thursday 10 September 2026, 14:16

This hour

- 1 test interview(s), average score 6.5/10.
- No instruction change this hour.

Each interview, in one line

- Custom neon/LED signage design and fabrication — 6.5/10. Birdie wrote down prices and policies as final even though the owner kept changing them.

What got better

- Nothing this hour — the problems found are queued for the next fix.

Full details (transcripts, findings, prompt changes) are in the BotBot repo under evolve_runs/.
